

WALK-IN ENTRIES WELCOMED AT THE MINI-ELIMINATORS

There will be two Mini-Eliminators running this February at The South Point in Las Vegas. The Scratch Mini starts on Wednesday, February 3rd while the Classified Mini, for bowlers averaging 210 or under, begins a day later on Thursday, February 4th. Both events will have their finals on Sunday, February 7th.

Although hundreds of bowlers have pre-registered for The Minis walk-in entries are always welcomed. There will be plenty of room for everyone since The Classified Mini, a handicap event, will run on one side of the center and the scratch Mini will be held on the opposite side of the house. Scratch and handicap bowlers never bowl on the same lanes together and never compete against each other.

The Mini-Eliminator office will open at South Point on Tuesday, February 2nd at noon. Bowlers can sign up any time but it is advised they come at least 30 minutes prior to the squad they want to bowl. An unannounced practice session on Tuesday, February 2nd will take place from 1pm to 4pm. Only bowlers with a prepaid entry may practice for free.
